With a total construction cost of EGP 110 million, the project is constructed on a total land area of 7,031 m². The school comprises 36 classes distributed over four floors [ground floor (6,399 m²), first floor (5,063 m²), second floor (5,237 m²) and third floor (1,879 m²)], in addition to 240 m² playground.

The school's state-of-the-art facilities include air-conditioned classrooms, a large swimming pool, labs, a sports hall, sports fields and a multi-purpose hall.
