Base Camp Training Sites:

Components:

- Double pitch arrangement.
- Ancillary building/changing rooms.
- Parking spaces (for teams and officials).
- Support services.
- Associated external infrastructure.

Locations:

- Qatar University Training Sites Cluster, 305,276 m², 12 fields of play.
- Golf Course Training Site Cluster, 234,299 m², 10 fields of play.

- Al Wahda Training Site Cluster, 144,975 m², 6 fields of play.
- Al Saliya Sports Club, 2 fields of play.

Background:

The Training Sites Programme encompasses 40 team basecamp training sites located at various districts in Qatar. This contract covered 15 basecamps in 4 locations.

The sites were designed to host the training sessions for the FIFA World Cup 2022 Tournament.
