

# Ghabour Misr Project in Sadat City

## Client

Ghabbour Group of Companies

## Scope of Work

Loan Management

## Location

Sadat City, Egypt

The project comprises the construction of a new paint shop building (65m x 160m x 9m), a chemical storage building (16m x 24m x 9m), and a fueling station for gasoline and diesel. It also includes several upgrades and extensions to existing facilities, such as adding new rooms to the body panel building, extending the trim shop (50

m) and test shop (40 m) buildings, and renovating the third floor of the administrative building.

Additional improvements involve relocating equipment, upgrading the warehouse, loading docks, and electrical substations.
